

MARION COUESNON

hyperactive designer

PROFILE

I am an enthusiastic designer who is always curious. Since 2011 I've discovered interaction design and learned printing techniques with passion. With a multidisciplinary background, I expect to find a company that aims to contribute to society with their innovative products.

ACHIEVEMENTS

I have travelled on my own for two months and a half in the USA.

I gave a speech at the Junior Design Research Conference about my design thesis.

I managed to obtain my master degree in one year with distinction.

AMBITIONS

1. Find a challenging UX job in a benevolent environment where I could grow my skills.
2. Build a workshop where I could experiment both cooking recipes and silkscreenprinting.
3. Travel in South America.

HOBBIES

Listening to vinyl while having tea.

Cooking lovely little meals.

Reading all kinds of books.

Travelling all around the world.
